“ *Helen I will miss you. The way I would sit in your cubicle in the office and some how you would make everything alright again.. We shared the good times and some bad, but I could count on you to make me laugh and smile. I loved hearing you talk so proudly about your children and grand children, and the Gamecocks. I knew you got tired and I didn't want you to suffer anymore so Jesus came and got you and for that I am thankful. Rest my friend. To the family you have my deepest sympathy. Thank you for sharing your mother with us.*

“ A candle lit for my dear friend. She will be forever missed. Helen and I worked side by side for many years at the Horry County Assessor's Office. Helen possessed very good work ethics. She was a very hard worker and very dependable. Helen's desk was always neat as she loved to be organized but never forgot the most important thing in her life...her family. She loved to keep her Grandkids close as their pictures were forever displayed there but also, a little Gamecock Pride with a stuffed Gamecock roosting upon a top shelf! We used to laugh about that a lot and poke fun as football rivals. RIP my dear friend and save me a seat in the quire.

“ *My heart goes out to the family and friends of Helen. I have known her since kindergarten. We went to school together. She was a sweet girl with a great personality. She was so pretty with her blonde hair and beautiful smile. I am wishing you peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your hearts. May you be comforted by the outpouring of love surrounding you. When reason fails, pray for peace. We will be praying with you.*

“ So sorry for the loss of Helen Turner. She will truly be missed in the Assessor's Office. It was so hard walking by her desk this morning and not hearing her say "Good Morning JJ". I cherished our friendship and will miss our little talks and laughs, especially on the days before "Game Day" (CAROLINA VS CLEMSON). She was a TRUE Gamecock Fan. I will continue to pray for her family. She is no longer suffering, all her pain is gone and is with Jesus now. God, please comfort her family during this time, give them the strength to get thru the pain and remember the good times spent with her.
