“ Dear Stephen, I'm so very sorry that I learned so late of your mom's passing. I wish I had known earlier, so I could have offered words of sympathy and encouragement. One true thing is the love your mother had for you, Stephen! You brought much joy to your parents over the years and they had every right to be proud of the wonderful man you have become. Yes, you have accomplished a great deal through the years, academically, but most of all, your kind heart and generous spirit is something your parents must have been incredibly proud of. The way you were there for your mom through your dad's illness, and through hers, was a testament to the love you were raised with. Know that you will be in my thoughts and prayers in the coming days as you adjust to the loss of your mother. You will always have a very special place in my heart, as one of my first kindergarten students. Much love to you, and look me up if you ever venture up to the nation's capital.##imported-begin##Paula Vaught Adams##imported-end##

“ Helen will be missed by everyone that loved her. She has loved me since the day I was born and I her. I have many fond memories of her. She always made me laugh. She was an important part of my brother Johnny's and my lives. Just wished I could have seen her more often. I know she and my Mom will share many a laugh now in heaven. Stephen, you were a wonderful and loving son-perfect in her eyes! Please let me know if there is anything I can do for you. Hope you will visit soon.##imported-begin##Judy Renfroe##imported-end##
