“ John, thank you for giving me the pleasure of taking care of your beautiful wife. I remember how we would have conversations about how you two met and her eyes would light up with the mention of your name. To be married for forty six years, is a true blessing, which she was proud of, as you were too. The deep dedication you had coming everyday to Kingston, to visit 'Ginny' was pure love and she looked forward to this everyday. 'Ginny' will be missed but not forgotten. John, my prayers and thoughts go out to you. Stephanie Rojas###imported-begin###Stephanie Rojas###imported-end##
