“ My thoughts and prayers are with you all at this time... Nani was a lovely lady and an awesome mother-in-law... she was the greatest of bridge players and I so didn't get the game...but we had awesome holidays and family dinners - and my fondest memory of her was her teaching me to eat Lamb with Mint jelly... I will miss her soooooo bad!
Prayers are going up for you all... God bless you...

“ I wanted to express my condolences to the family of Ms. Fishback. I bought a house from her in Edgefield SC about 19 years ago around this time of year. My husband and I still live in the house and were sad to hear of the loss of such a nice lady.
