“ To Karen and family,
Deepest sympathy on your loss. It is a gift to have been blessed
with so many years with Henry as father and husband, and the
memories you will have forever.

“ My condolences to your family but especially to Alice, whom I hold
fondly in my heart. I spent many hours with Alice in "study hall"
(really detention) at Wilton High School. She always treated me with
kindness and respect, which was greatly needed in my life at that
time. Blessings to her and her family. Susan Clark (Class of '77)
