“ Wilson, I wanted you to know how much your aunt Mamie appreciated your bringing Fielder to Virginia last year so that they could have a last good-bye. It is a joyful memory that I'm sure she holds in her heart. We all mourn Fielder's going, but the happy influences of his life remain to console us. Many folks here have come to me to express memories of experiences that they shared with Fielder. Surely those and many more are there with you in spirit and love today. Much love, Your cousin Bobbi##imported-begin##Bobbi Morgan##imported-end##
