“ Margaret and Family, How grateful I am that it was God's plan for me to meet H.K. and to have the opportunity to spend some wonderful afternoons with him as he told me stories about growing up and reminisced about his family, his work, and the onset his illness. Through these stories, several things about H.K. became clear. He had unflinching faith in the lord, he loved his family very much, and he had a great sense of humor. During our time together, I saw H.K. live his faith. He was patient and never once complained about his health or anything else for that matter. I only knew H.K. for about five months but I will remember him forever.##imported-begin##Frank Malkin##imported-end##
