“ Ms Patsy and family..i am so sorry to hear of Hanks passing and all of you have my most sincere sympathy and prayers as you go thru this sad time. Probably one of my first ever recollections of Hank is his coming into Columbia, on a M404, wearing a Johnny Reb cap and engineer gloves, bouncing in the seat, as if on a horse. As the years passed, i found out that he was a very talented musician, painter, a funny guy, a good ole SC boy and one that i always looked forward to seeing, whether in the terminal or on the aircraft. He was always friendly, and always took the time to speak or entertain if time permitted....Thru the years and several transfers, i had not seen him in too long a time, but often wondered about him. Sincerely##imported-begin##tom carr##imported-end##

“ Patsy & Family, Please accept my sincere sympathy in your loss. I saw Carolyn last week and since then my thoughts and prayers have been with you. “ Patsy and Family, Your long lost relatives in San Diego have you close in our thoughts and prayers. The kindness you and Henry shared with us last July and several years before have been one of our family treasures. Our visits together have been highlights of our visits to home, South Carolina. My great grandmother was Alice Buck, and the name Alice remains in our family yet today. We hope to see you again and certainly will stop by to say hello. We hope our prayers will bring some small comfort to your loving hearts for your devastating loss. God Bless Henry! Love, Dave##imported-begin##John David Gardner##imported-end##

“ I hold many memories of flying with Hank. He was a great friend, and pilot. I will remember him and we will remember you, his family in our prayers. Yes.. he and Palmer are sharing flying stories and enjoying all our fellow flyers who have gone before them. God help you to get through the next weeks. I know personally how hard it is even though we know they are Happily enjoying where they are. “ Daddy, I'm going to miss you so much! You were such a talented and amazing man, and a great husband and father to us all. You gave to me your love of flying, and of bluegrass, and I will always hold that dear to my heart. May you take that "High Flight" and look down upon us, knowing we will always love and miss you.
