“ Dear Paul and Josie,  
I was saddened to learn of Hank's death today. I enjoyed having him as a student at Waccamaw Middle School. Hank had a wonderful sense of humor and was always ready to smile and share a laugh! I enjoyed seeing him walk into the media center all 3 years that he was with me at WMS. Hank will be missed by many and most of all by you. I will be praying for y'all and thinking of you often. If I can do anything to help you during this terrible time, please let me know.

“ *Hank Solomon was a brilliant young man with so many talents. He was a constant surprise in my classes at WHS, you never knew whether a profound historical critique was going to come out of his mouth, or a hilarious anecdote and insight into humanity would come out instead. I was truly lucky to have taught Hank for two years, and consider myself blessed to have known him and to have been a part of his life. I will never forget him. My heart truly breaks at this tragic loss and grieves for his family, who will continue to be in my thoughts.*

“ My heart aches for all of YOU! Hank was ONE of the sweetest people I have ever known. I always looked forward to seeing HIM and HIS great big smile . I still have the Christmas Card He sent me . It was the one of him and the dog on the porch! AND I will never forget the flowers HE brought me, that made my DAY! I will be praying for all OF you . May God Bless YOU!
