“ To The Jordan Family, Our condolences go out to all of you on the loss of Henry. I always enjoyed working with Henry. He was a great person with which to do business and I respected how hard he worked and how honest he was. Kelly and I enjoyed our time with Henry away from the business world when we got together at the beach outings. He always had interesting fishing stories and it was very pleasant having dinners together. I also appreciate everything Henry and Alan did to help me at Sealy. Henry will be greatly missed, but not forgotten. We are praying for all of you.##imported-begin##Randy and Kelly Frye##imported-end##
