“ A good man has passed to a great and perfect place. Mr Lonzo was a great friend and a great help to me after the passing of my husband... a solid rock when I thought the world would split apart and swallow me up. He was professional, kind, and Christian in all his ways. He will always occupy a place in my heart and memory. Kathy, I will be praying that God will help you as only God can through this most difficult time as I know from experience that only God can comfort at times like this. Always, Gail Lilly Todd
My children, April and Eddie, and their families send their sympathy to your family also.

“ Kathy, Mike and Dennis: David and I are so sorry to hear about the loss of your father. Your family were the first friends we made in 1970 when we bought the home next door to yours. All of you made us feel so welcome and were great neighbors. We will never forget the time we had a wreck in Marion and could not drive our car home. Your father took his time to drive to Marion to take care of us and bring us home. He was a good man and a great father. May the lord comfort you and give you peace during this difficult time.

“ *Kathy, Mike and Dennis - so sorry to hear about the loss of your Dad. I had the honor of working with him for several years in the late '70s at M. H. Smith's office. I was fresh out of college and knew little about the practical side of accounting. He taught me a great deal and was an outstanding role model for me and others who had the privilege of learning under his great teaching. He was a hard working, honest, and intelligent man who was respected greatly by anyone who ever had the pleasure of working with him. After leaving that job, I stayed in touch for a number of years but, regrettably, didn't keep up with him. I do know he loved his family and was so proud of each of you. You all had a great Dad. He will be missed. May God grant you peace and comfort through this difficult time. Sincerely - Harrell Hardwick.*

“ *Mr Watts was such a big help to me when I started working here in Myrtle Beach in the late 1970's. He was my rock when I needed him to be. He taught me that sometimes you need to stick to your guns when dealing with the public. I needed that because back then I was all over the place. A great father figure, role model and good friend. I've missed him and will continue to. Marsha and I extend our condolences to Mike, Dennis and the rest of the family. God Bless Lonzo Watts*

“ Mr Watts was such a wonderful, caring person. My Mom always
said he didn't intimidate her when she had to get her taxes done.
We loved his kind heart and soft-spoken voice. I only knew Mr
Watts professionally and he was just that- a true professional.

*May you all find the comfort and peace that only Christ can give at
this time.*
