“ Dearest Husband, Just a note to let you know how much you will be missed and how much you are loved. We had 42 years of wonderful memories and four wonderful children. One of them has gone agead to meet you there. The rest will follow. Thanks for the four children who have been our whole life and who have always made me proud. They are loving, caring and now they are taking care of me still. Please know that I will always treasure our life together. Our lives were sometimes rocky, but we had God in them and he always made things seem small and we overcame all of our little squabbles. Take care and I will see you up in that heavenly home above. Love your wife, Linda###imported-begin##Linda Harrelson###imported-end##
