“Herb's” comedic personality carried him until the very last days. I'm thankful to have shared in those days with Nicole and the girls as one of his ICU nurses. He was a strong man and that character was evident in the strong women he spent his life caring for! At peace to know he is celebrating with his Heavenly Father now and in no more pain!

Dear Skinner Family, I was deeply saddened to hear of Herbert's passing. We were high school classmates, and I'll always remember him as a comedian with a big heart and a true superstar on the track and football field. His energy, humor, and kindness left a lasting impression on everyone who knew him.

Please know that you're in my thoughts and prayers. May his light and laughter continue to live on through all the lives he touched.

Dear Skinner Family,

I was devastated to hear the news about Herbert "June Poon" Skinner's passing. I feel so fortunate to have known him from our days at Bayside High School through Hampton University. We were track teammates, and I enjoyed watching him beat everyone he encountered.

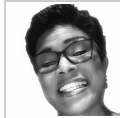

I'll never forget watching him on the field as well. He was a true star in both track and football, and his dedication and talent brought so much pride to both schools. He was an incredible athlete, but more importantly, he was a positive individual who loved to keep you laughing.

You are definitely in my thoughts and prayers during this difficult time. May his infectious laughter and wonderful spirit leave a lasting mark on all of us.

With heartfelt sympathy,

This hit hard...just scrolling along to find this out. June Poon and I had lockers every year in junior high and high school. The activity bus, track, track meets, practices and laughter he provided will remain in my memory. Sending prayers to his family. Many condolences. 🌸
