“ Dear Hulser Family, I was visiting Dad in Amsterdam last Thursday when he shared your sad news. Please know that my thoughts and prayers are with all of you and your family. I have so many fond memories of your Dad and spending time in your house. He was always a strong influence to me and a strong man. Every now and then I'll go for a run when I'm visiting my father and as I pass by the Hulser homestead I break out in a huge grin. Herb and Richie, the neighborhood was never the same after we left the scene! Again, my prayers and thoughts are with all of you. Take care.##imported-begin##Duke Horigan##imported-end##
