“ Jane, Charlotte, and family; I just saw of your Dad's passing when looking up another acquaintances notice. I am so shocked and saddened. I am also sorry it is too late for Stephen and me to pay our respects in person. Your dad (and mom) will always have a special place in my heart! I loved working for them at Tropical Winds! And a lot of it was during the special time of mine and Stephen's relationship first starting! Please know I will keep you all in my prayers during this hard time. God bless you all...Kathy and Stephen Harmon

“ When we moved to Pawleys Island in 1999, Herschell and Joan were our neighbors across the back yard. They were the first to visit us and extend a hand of friendship. We would walk the neighborhood together in the evenings after I returned from work and they would spend time entertaining Marilyn while I was at work. They taught us how to play hand and foot cards. They were great friends and we have missed Joan since her death and now shall miss Herschell as well. However, we do rejoice in knowing that his grief has been resolved by his reunion with his sweetheart for life! May God grant the family a peace which only He can provide in this time of sorrow. With deepest sympathy,
Marilyn and Gordon Hudson.

“ We would like to send our condolences to Mr. Herschell family. We loved him very much. It was always so nice to see him on the back seat of the First Baptist Church. We sat right in front of him. I would always give him hug and chat a few minutes. He love to tell us about his family. The best memory we have is when we toke him and Mr Colter to a Sweetheart Banquet in Andrews. They is a memory I will never forget. Our prayers are with you.
