“ I am so sadden to hear the news of Mrs Haddie, she was such a sweet and kind little neighbor. In the short time I knew her I remember when we moved in across the street from her she and one of her friends were the first people to come over, and welcome us such a sweet and warm hearted lady. She sure is going to be missed. My thoughts and prayers go out to the family through this difficult time.

PS

Hettie was a wonderful friend. My husband and I had so many good times with Hettie and Charlie. There are so many memories that I have of time shared with them. There was the time when they were out of town that I filled their whole front yard with stuffed animals!!! They never said a word about it., They came to dinner over the years we lived there, and on one if those occasions we put a Whoopie Cushion under the couch cushion where Tim was sitting, and finally after about the third time Tim got up then sat back down, Charlie asked Tim what he had eaten for dinner:-) we always laughed so much when we were together. When Tim was sick, Hettie on several occasions came down to stay with him so I could run errands. I have missed them very much after leaving Myrtle Beach. Hettie always had a smile and a wonderful laugh to go along with her amazingly fun personality. She will be greatly missed by her many friends and her family I'm sure. Thank you for being a friend, Hettie. You were the best!!!!.
