“ I hold you close in memory even though we are apart. Your spirit will live forever within my broken heart. My heart still aches in sadness and secret tears still flow. For what it meant to lose you, no one will ever know. In heaven we shall meet again where farewell is never spoken. We shall hold each other hand in hand and the bond shall not be broken. I love you Hilary and will miss you every day. Dance and have fun in Heaven and save a place for me.

“ *I never thought I could miss someone like I miss you. I know you are whole now, dancing with Elvis and Patrick, running through fields of flowers with our loved ones and smiling from ear to ear with happiness. You are now pain free with no disability. I would have loved to see Jesus wrap his arms around you as he led you into His Father's kingdom. Rest In Peace my perfect "person" until I join you - I look forward to that day. I love you so much Hilary Ann*

“ *My memories of Hillary started in 1975 when I meet and Married her sister Anita. We have shared a large part of the last 40 years with trips to Italy, las Vegas, and good ole Myrtle Beach SC. We shared a joke of my calling her Heather and her quickly reminding me, “ You got the wrong name.” Our loss is Heavens gain. I love you Hillary. RIP.*
