“ *Buddy was my cousin on my mothers side - Vivian Harrelson- just recently learned of his passing - have many fond memories of visiting the family on their farm- remember one time we sat down for breakfast and Buddy would not eat because Aunt Justine had not cooked rice- he had rice at every meal*

“ *I just learned of Homer passing and am so sorry. He and I were good friiends in high school and remain until now. I was so fortunate to spend a little time with him the last time I was in Loris. I will always have special memories of our growing up as friends.*

“ *I am very sorry to hear of Homer's passing. When we were little, he, with his parents, visited our home and he pulled me around the yard in my brother's little wagon.*
