“ Aunt Evie, Though our children didn't get to see Uncle Hoover very often, they knew who he was as soon as we mentioned his name. His quick wit and charm will always leave a lasting impression on our family. May you cherish the beautiful memories and the qualities that made Uncle Hoover the wonderful person he was. Know that you are in our thoughts and prayers now and in the days to come. With Love, George and Gail###imported-begin###Gail Graff###imported-end##

“ We're sorry to hear of your loss Evy. My family always thought so much of Hoover, and yourself of coarse. My sisters and I all have so many fond memories of being at the lake and the two of you were always a part of that. I can only think that My grandfather, Fred Thomas, Bill Smith, and now Hoover have alot of catching up to do. They're sitting around telling stories of the old days. That makes me smile. He'll be remembered fondly by us all. Love and well wishes, Laura, Anne & Kathy Allen###imported-begin###Laura LandisAllen###imported-end##

“ I have been having morning coffee hour with Hoover since I returned to the area to practice law nearly 20 years ago. Spending time with him and the coffee club has always brightened my day. My niece who is now 15 still remembers Hoover doing a magic trick for her when she was 5 or 6. He will be missed.##imported-begin##V. Lee Moore##imported-end##
