“ It is not our presence needed that counts but the presence of the Holy Spirit. May he give you comfort and peace and remain with you through the duration of time. He will keep that which is placed in his hands. Remember you and the girls can rejoice because you can see him again through Jesus Christ. Love you and praying much for you all. “ To the whole family of my best friend,my fishing partner and a man i considered to be my brother.Please know that all of you are in my thoughts and my prayers. To Howard,Iwill never forget the times you and i spent together,the stories that you told.But most of all i will miss our fishing trips.The fishing stories we used to share.I recall one time that you were out fishing me and i told u if you caught one more i was going to throw you into the lake and then we just laughed.You will forever be in my thoughts and prayers.I will miss you but i know that one day i will get to fish with you again.I can not wait to the stories again.I will not say goodbye to you.I will just say that i will see you soon but untill that day know that i love you as my own brother.I miss you.See ya soon###imported-begin###T.J.&Patsy Johnson###imported-end##
