Dean and all of the Beverly family,

We were deeply saddened to hear about Howard passing. As you know, we were like one big family at old Waccamaw Brick. I can still hear a little girl call and ask to speak to her "Papa". She is now a lovely young woman. There are lots of memories I'm sure we could share but, at this time, please accept our deepest sympathy and know that you and your family are in our prayers.

*In Christ's love,
Lamar and Kathryn Lewis*

“ *I am so sorry! He was such a kind man! I know it's gonna be hard, things will never be the same, just cherish the wonderful memories you have together as a family. I can only imagine the look on his face when he made that glorious transition from here to heaven! Praise God that we can have that same transition if we just live our life for God as he did. He is your angel now and you will see him everywhere! I call them winks from God! I love this family. Prayers and hugs!!*
