“ My friend Howie! You will be missed by me and so many. In 1988 I had one year clean and I met you. We have been friends ever since! You taught me how to have fun on recovery and laugh at myself. Thanks for picking up that car years ago and moving it over two feet so I could get out of the spot I was in. I am still in awe that you just picked up a car and moved it. I wish we had cell phones and cameras back then! Linda, your Mom, and your family have my love and support. I will miss you my friend! ❤️❤️

“ *When I first started coming around, I heard Howie say, more than once, "I'm glad I went through all the things I went through. They made me the man I am today, and I Love the man I am today!" Thanks for that Howie. You helped me to Love the man I am today, and I love you for that. Rest in peace brother.*

“ In 2001, when I was looking to buy a 1200 Sportster, Howie came with me to test drive it. It was a bit small for him but he gave me the thumbs up. One time I hooked Howie up with one of my clients to do some business with them. He even did my floors, coincidentally, many years before that, in my old life. Always with a smile and a warm heart, I'm glad our lives crossed. Sending love to Linda.

“ *If, “showing up no matter what was a person, it would be you my friend. Your presence was felt in any room you entered. It’s just do not feel right leaving the meeting and you not in your beach chair with a cigar. This community has taken a hard hit. You will be missed by many Howie.*
