“ *Roland, Shelby and Bet, You have all been on my mind and in my heart the last several days, even though I cannot be there with you during this time of great loss in your lives. I will always remember Uncle Hubert for many reasons, some that still make me laugh today when I think of how he liked to pick on me. I loved the fact that he never seemed to give up on doing what he wanted to do whether it was the best thing for him to do physically or not. He lived his life full and with great energy and for that he is to be applauded. I am thankful most of all that he made a major decision to follow Christ and that he is there with Him now. My prayers are with you all as you navigate this new phase of your lives. Love,*
