“ I have so many fun memories of Ida. When thinking of her I pause and smile because my time with her was always fun, while I was her manager at Kmart I remember her as my American mother, she took me under her wings and taught me so much, will always be grateful for knowing her and her family

“ Ida and I have been best friends for at least 40 years. There are so many memories. If anyone remembers Jamesway Dept. Store, I was actually her boss. I love this lady so much.

“ I remember Ida as always smiling and welcoming to her home! Our family enjoyed a nice visit with her in her home in Myrtle Beach that our son recalls fondly, as well. That was the last time I had seen her. She showed us her collection of the Pillsbury Doughboy figures. She raised two wonderful children and was a sweet, loving woman whom I am so glad was in our family. Rest in Peace, dear Ida.
