“ *Imogene was a wonderful lady who had such a sweetness about her. She always had a smile and a genuine concern for all she met. She and Hans had such a great love affair. Her friends from the "Tara cinema" group had the closest friendship that I have ever seen. They truly were a family. She will be missed.*

“ *Imogene was such a sweet lady. I met her through Wompi and she was a great friend from thereon. I always loved the story she told about how her and Hans got together. She was a fighter with her illness and I will miss her so very much. She is no longer in pain and her and Hans can be together again. Love you Lady.*

“ *For so many years Grandma Imo and Papa Hans served as stand-in Grandparents for Marilyn & Myself, as we live in the Buffalo NY area and could only visit Pawleys Island a few times a year. On our visits here we had such great times with them, sharing their experiences with our grandkids and having them keep us up to date on their own wonderful lives. After Hans passed, Imo kept contact as much as possible and she was always at the birthday parties and graduations !! Imogene was a tremendous teacher for the children and role model for us with the children. We will miss her bright, happy smile but are thankful for the time we had to share with her and Hans. They are together again with their Lord and Savior !
