“ Linda, Tiffany and Payton: We have such good memories of our dear "Nez". She will never be forgotten for her friendship and kind and giving spirit to us and all who knew her. She shared with me so many times about her being so happy that each one of you had placed your faith in Jesus Christ. Just always remember that we can claim God's promise that all who believe in him shall not perish but have everlasting life. We will see her again someday soon....##imported-begin##Miriam and Archie Brazier##imported-end##
