“ *Ingrid was such a special sister. We will remember her quick wit her well thought rhymes and her love for all. She was so faithful and caring. The Mickel family sends our love and condolences in this sad time. Our heart goes out to all in the family.*

“ *We are grieving along with you because Ingrid has been a part of our congregation for many years. We will miss our dear sister very much, her nice soft spoken voice, her comments at the meetings, smiling face, such a dear sweet sister. May you find comfort in knowing that she was loved by all and we will see her again soon in the resurrection.*
