“ *Myra, Vivian, Lewis and Families,*

I just learned minutes ago from Aunt Vera about Irene's passing last Wednesday and celebration of life service yesterday at her church. Although I did not know Irene very well, we exchanged Christmas cards for many years. I am sad for your loss but know that Irene is living in Paradise with her Heavenly Father and has Perfect Peace now. Sending up prayers for strength, comfort and peace in the days ahead.

“ Myra, we're very sorry to hear of your mother's passing. Our families have intertwined so much through the years in school, church, (especially Singing Conventions), and your and Lynda's friendship. I have always remembered your mom's long flowing hair when I would see her at church or when I visited her home with Chris. I always thought it was so neat to see her long hair that I thought was a "neat" thing in the era we grew up in. It always made her "fit" in the image of youth. God comfort you, all family members, and friends during this season of change in your family. God's Love...Travis and Lynda Martin
