“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away

“ I loved and respected Irene. She loved her family, her flowers, and her pets. Always hardworking and Intelligent, she taught many of us skills we will always remember. I wish I had a picture of her with her diaper and methyate bottle anytime someone was hurt. Remember the great times and be glad she no longer feels the pain of this earthly body. She will live with each beat of our hearts and never truly be gone. Take heart in her peace and celebrate her life. Peace and comfort to you all.

So sorry to read about Irene's death. My prayers go out to her family. She was a wonderful person and I loved her. I was her Director at Conway medical center and enjoyed her time there. She and I talked above me as a small girl when we lived on her parents farm. I know she loved the Lord. May God bless all of her family.
