“ To my dearest Grandmother, I want you to know I loved you dearly! Even with the miles between us and the time spent apart, you were and always in my heart and prayers! You inspired me to be a strong woman and to live life to the fullest. I have so many loving memories and will cherish them forever! Rest in peace now and walk with God and Gramps now! Give him a pinch for me and live now forever in the light! With all my love, you will truly live on in my heart! I love you my namesake and mentor Irene Smoulcey. ❤️
