“ *It's been years since I have had any contact with my Aunt Irene but I remember her well. Aunt Irene and Uncle Louis were my godparents and they treated me very special when I was young. Many fond memories. I'm sure she is in a better place with her loved ones who have preceded her in death.##imported-begin##Joanne Kirk##imported-end##*

“ *I enjoyed working in the nursery at Conway Hospital with Irene. She loved helping us with the newborns and new mothers. I was blessed to see her again when I made a nursing visit to another patient at The Place and we fondly reminisced about our time together with the newborns. I also remember her as a devoted wife and mother, taking care of Mr. Jumbercotta and always speaking of her family. May you be comforted by wonderful memories and a knowledge that she lived life well.##imported-begin##Beth Edwards, RN##imported-end##*
