“ I do not know if it's too late to do this, but I just found out about Iris' passing this date of May 10, 2025. I am so sorry to learn of this sad news and am so thankful that I did get a chance to talk with her via phone a few months ago. We were very close when she lived here in WV for years, sharing many, many good times, laughter and on joyous occasions. If not for needing 'mower' questions answered, I still would not know, so thanks to her newpew, Brian, for sharing this sad new with me. Rest in peace, Iris. You are and were a very special friend and lady. Cookie Shamblin Woolcock
