“ I would like to express my sympathy to the family. I hope you are finding comfort in the time you spent with your dear loved one. Please find comfort in the hope expressed in the Bible at Revelation 21:3,4 where it tells us that mourning, pain, and death will be things of the past. I hope you find comfort in this hope. Feel free to email me to comment or if you have questions. Again, please accept my condolences.##imported-begin##Margaret##imported-end##

“ To the Jordan Family: I am sorry that I could not be with you during visitation & at the funeral, as I was out of town. "Grandma Jordan" was always such a special person, and was loved by all who knew her. She touched so many people in amazing ways. Just remember that she is now free of all pain and rejoice in knowing that she now walks with the saints and sings in the heavenly choir. I'm sure she is chatting with friends and family that have gone on before. She is at home and at peace. My love to you all.##imported-begin##Sharon Jordan##imported-end##
