“ I have had the distinct pleasure of being in the same church choir with Irv for the past 12 1/2 years. When I first met him, he was the director of VBS and, at that time, was presenting a skit entitled "Noah's RemARKable Journey". A finer gentleman and a better christian I have never known. To say that I shall miss him cannot do justice to the way I feel. My heart is very heavy.##imported-begin##Bonnie Page##imported-end##

“ Eleanor and family, I write this message with great sadness in my heart but a smile on my face thinking about the great fun shared by the wonderful gentleman that was Irv and the CW 76ers on the stage of Conrad Weiser High School. Even though he had moved away, not a show was performed by the 76ers that Irv's name did not come up...his talent as a vocalist and actor, his dedication and sense of humor. We truly missed him as he gave so much to all of us as a fellow performer, but most of all as a friend. With deepest sympathy...##imported-begin##Beryll Ruth##imported-end##

“ Eleanor, you probably will not be able to put a face to my name, but I am a Conrad Weiser '76er, and had the distinct pleasure of 'sharing the boards' and singing with Irv. I am also a highschool classmate and friend of Scott, although we have been out of touch recently. Please give Scott my e-mail address: wilsonav@comcast.net. I would love to resume contact and get up to date and express my condolences. This has come as quite a shock to me. We still miss Irv when showtime comes around and speak of him often. Please accept and express my condolences to the rest of the family. I will be certain the other members of the '76ers will hear of his passing. However, his memory will live on! In fact, I have a few of the '76er shows on videotape, which I am converting to DVD, which have Irv in them. I would be happy to share them with you, if you are interested.##imported-begin##Ken Saul##imported-end##
