“ Mike, Wanda, Iris and Dawn, I wish there was something to say or do to take away the grief and pain you are experiencing, but I know there's not. You've experienced so much loss in such a short time that it seems incomprehensible. I'm not able to be there now, but know that my thoughts and prayers are with you. I loved Aunt Isabel. I will always think of her smiling and laughing. I love you all. Dee##imported-begin##Dee Adams Coleman##imported-end##
