

Isabella Carter

March 27, 2014 - March 27, 2014

Isabella Grace Carter went to be in the hands of the Lord on March 27, 2014, at just 20 weeks. Survivors include her mother, Alyssa Carter; big sister, Jessie Cartrette; grandparents, and many aunts and uncles who looked forward to meeting her in August. A private funeral will be held on April 5, 2014, for immediate family. We want to celebrate this short beautiful life and our family asks for your prayers at this time.

“ *Isabella, God graciously gave us 20 beautiful weeks with you, the peace that God is giving us is such a blessing, for we know you are in His arms right now. I remember hearing about the first kicks, rubbing a growing belly and feeling a love that only God can give,..... sweet,precious, innocent love. I never got to tell you I love you....Isabella, nana loves you. Your mama's gonna be just fine, you helped make her very strong. We will all be together one day, what a day that will be!!!!!!!!!!!!!! Grandma use, Pop, you kiss that sweet face until we get there.*

Love, Nana
