Tribute Wall

“ At this time of year especially, I remember all of the Christmas days spent at thier home in Manchester. I miss those days when we would all be together my memories are fond. I remember the smell of Grandpa's pipe and the turkey in the kitchen. The tree in the basement where we had to wait to go. Thank you for the memories and say hi to Grandpa for me. I love you.##imported-begin##Kathryn Murray##imported-end##
