“ Aunt Dora was such an amazing person, so sweet, upbeat and funny. She had such an a wonderful attitude about life. I still thank her for saying just the right thing to help me move forward after a hard time in my life. Sitting on the porch and talking with Grandmama and Aunt Dora are some of my fondest memories. I will always love and miss her. Annice, Miriam and Howard, you and your families are in my prayers.

“ I have been blessed to have known Mrs. Bellamy for over 30 years as a very close friend to her daughter Miriam. Mrs. Bellamy was a pleasure to know and be around. You couldn't help but love her. She was a gentle, kind lady. I know a wonderful celebration is going on in heaven today as she is seeing her Lord and Savior and all of her family and friends that have been waiting for her day to come.. We have lost a true "angel" and I am proud to say I was her friend.

“ Aunt Dora was a shining, beautiful, sweet light in everyone's life, and she will always be greatly missed for few have the ability to love with as much compassion as she did. Her family, children, and grandchildren will be in my prayers during this very tough time - I love and miss you, Aunt Dora.

“ My heart cracked the day my Grandmother, Mazie Milligan, died and it just got larger this past Saturday when Aunt Dora died. For the rest of my life I will always remember the fun, happy times the three of us had together. God bless her sweet family. I know their hearts are broken too. Heaven is now even brighter with Aunt Dora there.

“ I am so sorry for your loss. May "the God of all comfort" (2 Corinthians 1:3,4) comfort and soothe your heart. His promises, found in the Holy Scriptures, can offer much hope. It assures us at John 5:28,29 that our loved ones will be remembered and brought back to life in the resurrection. Please allow God's Word to strengthen you and help you to endure this most difficult time.

“ I have so many fond memories of Sister Isadora; as a very young boy she taught me in Sunday School along with my gody grandmother Mrs. Annie Hucks. I played many times with Howard over at their house where I learned to ride the bicycle when I stayed with the Jones after school. She had a loving, kind, and gentle spirit and she always treated everyone with dignity and respect. I want to extend my deepest symphathy to all of the family and assure you of my thoughts and prayers during this diffucult time.
