“ Aunt Iva Mae was the sweetest, kindest and most honest person that anyone could wish for in a friend, let alone an aunt. She made you feel so comfortable when you were in her presence. She let you be yourself and never judged you. I have so many wonderful memories of my Aunt Iva Mae and Uncle Leonsie that there would never be enough room on paper to write them down especially having boiled peanuts ready for you when you arrived at their house. We loved her so much and will miss her dearly.##imported-begin##Jeanette Hymer Jordan and Family##imported-end##
