“ *My prayers are with you and your family. I worked with Jane in Cortland as an operator. She was always such a pleasant lady and will be missed at the Pioneer luncheons. How lucky you were to have her all these years. What a good picture of her and with a phone no less!*

“ *Connie....my warmest thoughts & prayers are flying your way and will hopefully help wrap your sorrows inside the warm loving glove of such a wonderful Mother. She was always (many years ago) so kind to me and I am reminded of seeing her at the last school reunion when she sort of put her hand on my face and let out with an "oh my~!" It is a very warm memory indeed. RIP Jane.*

“ Jane has touched so many people in her walk and most of them will be counted as "extended family" when St. Peter reads the final tally book. That describes the vast scope and warm legacy of her personality... R.I.P. with those who preceded and those who will follow.
