“ I did have the wonderful chance to meet and know JT and his loving wife. I teach at ATCCS and went to The Prayer Center also. I well remember JT's family in my prayers. It is the greatest thing in the world to know that in passing away the person and family know right where the he/she is going with out a question in mind. That is something that I myself have not come across much in my life time. The Barfield family can be at peace, knowing JT has made it home. JT you well be missed by all that came in contact with you and those that only knew of who you were. We love you!
