“ *Lucille, I was your next door neighbor when you, your mom & Jack lived with your grandma & grandpa. I just read about Jack. I am very sorry. May God wrap His arms around each of you now, & days ahead. I remember Jack as a quiet person growing up. I would love to see you. Louise Hardee*

“ *Him and Patsy would always stop at Norton store on the way to Paitsto take their lawnmower. We looked forward to seeing them. He was a joy to talk to. He is sure going to be missed. Patsy I don't have the store open anymore but I still think about all the friends that always stopped. Due to health issues I haven't opened it back since the passing of my mother in law and I was in a car accident. Prayers for the Collinsfamily.*
