Pawleys Island...Jack W. Feild

Jack Walcott Feild age 85, died Sunday, September 16, 2018 in Tega Cay, SC.

Born in Alexandria, VA, he was a son of the late James and Emily Feild. Jack graduated from the University of SC where he was student body president. His entire career was spent with Merrill Lynch, first as a financial consultant in Columbia, then manager and vice president, serving in the Greensboro, NC office. His life was marked by his strong faith in Jesus Christ, to whom he witnessed to many. He led many small groups in Greensboro and again in Pawleys Island, where he and his wife retired when he was 55. A major reason for early retirement was to attend and work in All Saints Church, where he and his wife led "Journeys in Faith" for many years. Jack had a lunch ministry for men because of his passion for evangelism and conviction that all men need a small group for discipleship.

Jack was a devoted husband to Sarah (Skip) Field for 60 years and a wonderful Christian father to his children, Sarah Meade Kimrey, Ellen Feild Schille and The Rev. Stephen Jarratt Feild. He offered a godly example to his six grandchildren, Joshua, Kate and Jack Kimrey and David, Sarah and Daniel Feild. He will also be missed by his brother, David Feild (Linn). Family and friends will miss him and grieve for their loss, but rejoice in knowing "to be absent from the body is to be present with the Lord".

“ I joined Merrill Lynch in Greensboro in 1985 and was fortunate to work with Jack until his retirement in early 1988. He was an exemplary gentleman and superb leader. He had a long list of positive attributes including intelligence, compassion, and integrity. I was glad for Jack when he had the opportunity to retire at age 55, but personally saddened because I lost one of the finest managers I ever had. He had a company wide reputation and was often sought out for his expertise in stock investing. He was completely dedicated to his faith and truly walked the walk. May our merciful Father bring solace to Skip and all of her family during this most difficult time.
