“ To the Boger family, The words for this moment are painful. I don't want to believe this moment has come. I am however truly grateful for the memories i have of being a part of your family being at family gatherings, weddings birthdays,etc. I hope that God will embrace you with his love and carry you through your time of grief. Remember he is not "gone" but "away" frolicing with all of Gods angels and at peace. We will one day see him again. “ Mike and Family, During this time of sorrow just reflect that Your memories of Your Father will always last. Mike just knowing You for the time that I have. Your Father must have been a very good man to have a Son like You. I'm sure he was very "Proud" of You and what a man You turned out to be. Keep those memories close and You will always know he is watching down on You. God Bless, Patrick S. Fahey, President, Capitol City GTO's##imported-begin##Patrick S. Fahey##imported-end##
