“ *Brett and Lori*

So sorry to hear about Jack. When I was in the L&G business, he was my favorite stop. We rarely talked business...just talked. I loved his stories and he always made me laugh. My prayers are with you as you work through this sad and trying time. He was always very proud of you, Brett.

“ Brett and Lori, We share your sadness and your memories of Jack. He always gave me such a "rough" time when we first came to True Blue, especially when I would "interupt" him on a Sunday morning!
