“ I have very loving memories of my Grand pop while I was growing up in South Jersey. My twin brother Scott and I would play for hours at Leonore and Jack's house; we called them Mom and Pop. We spent two summers with them while they lived in Missouri and another summer with them in Florida. My wife Linda, my daughter Brittani, and I had a pleasant visit with Bettie and Pop several years ago. Bettie, We are so very sorry for your loss. Michael, Linda, Brandon, and Brittani.##imported-begin##W. Michael Baker##imported-end##
