“ *Fulton, I am thinking of you and your boys. I have lost a parent, but never a spouse, so I can't say I know what you are going through. All I can say is just look to God for the Peace it will take to get through the next few months and even years. I know when my daddy passed, God gave me the Peace to help me go on. I still think of him daily, but know he is ok.*

Jackie was one of the Sweetest people I've met ~ always had a smile & kind word (no matter how she was feeling). You two have been a true inspiration to me that there is such a thing as True Love & Soul Mates!! She is your guardian angel now & will always be with you, Fulton ~ in your heart & all the wonderful memories that you shared. So proud to call you my "brother from another mother" ~ If you need anything at all, Please let me know. May God be with you & help you thru this difficult time!! ((Hugs)) Joyce

“ *Jackie, my friend, I miss you so much. I will treasure the times I spent sitting in the coroner's office with you, chit-chatting about everything, from your family to my crazy dating life at the time. You always had a smile on your face, even on the phone, I could hear it when you answered, "Coroner's office. Jackie speaking." It is hard for me to smile now because you are not here on this earth, but I know one day in the future, I will think of you and smile again. Peace and joy be with you in your new home. I will see you again.*
