“ Theresa, I was so saddened to hear of Jackie's sudden passing. I always looked forward to seeing you and him when you came to the bank to make your business deposits. We had many conversations, even though they were short, about things that were going on in our lives and I considered you both to be friends. My sincere and heartfelt condolences to you and your family, Jackie will be missed by all.

“ I would have enjoyed hanging out with Jackie, we met him and his crew chief during technical inspection, Jackie was busy taking care of autographs! He had to be a hoot! The next time I met him it was in a different light. I feel like this man was truly blessed and I had met him for a reason! Thank you Jackie for the short time we cut up a little.

“ My heart felt condolences and prayers go out to Theresa and Valarie and all the family. I have always loved Jackie from the day Theresa fell in love with him across the ball field in Clinton. She talked about him all the time and he was a very handsome guy in the white ball suit and I could understand why with his mild manner and a perfect gentleman. ..I never saw him any other way. I was so happy when they got married because I knew it was a story book romance. Theresa was so beautiful and they were just made for each other. I praise God He blessed them with many years of happiness and a beautiful daughter, Valarie. She is the apple of his and Therese's eye. His memory will always be a bright spot in our family and he will be forever missed. RIP Jackie Ward..I love you. Auntie Carol McCullen

“ I remember running all over the place with Jackie doing errands to get ready for Valarie and Adams wedding we went to get his tux fitted ,we went to the moom shine store and tasted the diffrent kinds they had and to the fireworks stand for me to take back home some illegal fireworks.LOL and to the garage to see his race car and a whole bunch of stops in between.we even played frizbee golf with Adam and his friends for his bachelor party. While I was on these little adventures with him there was one thing I noticed over and over every where we went Jackie ran into someone who knew him .He was well known, respected,and loved around that beach and a friend to all but y'all all ready know all that. Margaret,Hannah and I Loved him too he was a good man. R.I.P. Jackie Ward
