“ me and jacob were 11 years old when we met for the first time. we went to summer camp together and grew so close it's like we were intertwined. we always bonded over so much as kids and i think that's why we became as close as we did. kevin durant and the warriors, pokemon, basketball, music, xbox, and so much more. jacob was the brightest soul i've ever came across. always a smile on his face and nothing but the best of vibes. we fell off over the years because we never went to the same school or lived too close to eachother. and i think that's why it's been hitting me so hard. i never got to say goodbye.. i miss you bro. and i'm sorry we didn't talk anymore. i'd do anything to get another conversation with you. i love you jacob, and you will forever be missed ❤️

Love to the Mills & Rogers family.

Cherish those memories you have of him young man. Trust the shed blood of our Risen Lord as Jacob did for the cleansing of your sin and you will make millions more. I love you young man because you loved my son so much. Please watch a series on YouTube by Allen Nolan when your heart will allow it and you will feel much better about the future. Jacob was a wonderful young man. I was privileged to coach him for several seasons. He was a great athlete and an even better person. I rest assured that he is in heaven today with his Savior and family. My heart hurts for his family and friends. He will be missed greatly. Coach Kevin
