“ My Dad and family loved her so much. Dad made sure I had special relationships in my life with his sisters and brothers and kept family close. My aunt Jackie was a teacher at Whittemore Park Middle School, she baked most of all my childhood cakes, and made sure Charlie and I had amazing birthday pool parties along with my mom and dad. She was proud of me, she loved me for who I am and made sure I knew it! She loved her family hard and was always there for us. She encouraged us, lifted us, nourished us and supported each of us. So many memories, so many family get together's at grandmas house, and a lifetime to cherish them. Love you aunt Jackie, Will, Amanda, Rachel and Uncle Frank. Amanda you kept so good of care of aunt Jackie. You are a blessing. I am really going to miss her hugs and smiles and her meeting Charley. She was so happy to see me pregnant and to meet Jenny. She meant so much to me and our family.

“ Condolences to Mrs. Hendrick's family. I remember her so fondly as one of my favorite teachers (1983). She effortlessly commanded respect and was quick to share her infectious laugh. Years later I was honored to have her make my wedding cake. Her family was lucky to have her at their center.
